THE HEART BEHIND THE HANDS

HeartLand Hands Inc. is a non-profit 501 (c) (3) food pantry operated primarily on the prayers and sincere efforts of volunteers. It was founded by Randall and Tanya Gill in 2006. Its resources are supplied by local food banks, local churches and other community groups, businesses and individuals. It is designed to provide food and miscellaneous items to individuals and families who are facing economic challenges. Its core mission is to *love thy neighbor as thyself*. Since HeartLand Hands Inc.'s establishment, it has relieved hunger in households throughout Desoto County. The goal is to continue to reach out to the community through faith and love. The administrative staff is very thankful to all of volunteers, sponsors and partners working diligently to make the mission of HeartLand Hands Inc. a success.

CONNECTING HANDS

HeartLand Hands Inc. Resource Directory is dedicated to providing a way for all Mississippians and service providers to have access to high-quality *human service information*. With welfare reform and ever-tightening human service budgets, information and referral (I&R) is a critical service for the citizens of North Mississippi and the surrounding areas. HeartLand Hands Inc. is committed to networking with other service organizations and churches to reach our goal.

All too often, people become confused or discouraged by the complexities of the systems and they never discover programs and services that might help solve their problems. Because they don't get help, bad situations tend to get worse and society pays the price.

This directory is filled with resources to **connect individuals to assistance** ranging from churches, government agencies, educational institutions, staffing companies and other non-profit organizations throughout Desoto and other neighboring counties.

DISCLAIMER

HeartLand Hands Inc. is not responsible for any actions of agencies listed in this directory. We have not reviewed each organization's policies & procedures. The information contained in this directory is for informational purposes only and is not necessarily endorsed by HeartLand Hands Inc.

The Emergency Food Assistance Program (TEFAP)

TEFAP is a federal program which helps supplement the diets of low-income families by providing them with emergency food and nutrition assistance at no cost. Under TEFAP, commodity foods are made available to states by the United States Department of Agriculture (USDA). Mississippi provides the food to local food banks which distribute the items to approved food pantries, soup kitchens and homeless shelters across the State.

WEB: <http://www.msfoodnet.org/>

Supplemental Nutrition Assistance Program (SNAP)

SNAP, formerly known as the food stamp program, provides monthly benefits that help low income households buy the food they need for good health. SNAP is a federal program administered on the local level by the Mississippi Department of Human Services. Nationally, SNAP is the largest program in the domestic hunger safety net. SNAP is meant to be a supplement to one's income to help ensure nutritional needs are met. Mississippi residents who face food insecurity are urged to apply for the program. Help is available for those struggling to put food on the table.
