

## Welcome Freshman! Class of 2024!

### Tips and things to keep in mind:

- Keep your grades up! Your grades are now permanent, and college and careers are not as far away as you may think!
- Get involved! Join a sports team, club, or another activity. This is a great way to make friends throughout the school. Begin doing this your freshman year.
- You will need to pass 4 State Tests to Graduate-Algebra I, English II, Biology I, and US History.
- Plan to take the ACT soon. You will want to take the ACT after you complete Geometry at the latest. You can find ACT information on the Counselor's Corner in the Commons.
- Be sure and watch the Virtual Orientation and download the Orientation Packet that will be available on Thursday, August 6<sup>th</sup>.
- Bring a copy of the map with you on the first day. Teachers, Principals, Counselors, and Ambassadors will have signs guiding you to your classes.
- Schoology is the new online program for your classes, whether you are a VIP or in-person student. The Counselors will also have a Schoology account.
